DETAILED ACTION

1. This is in reply to amendment filed on April 24, 2006. Independent **claim 1** has been amended and applicant submitted terminal disclaimer and successfully overcome the double patent rejection set forth in the previous office action. Claim 2 has been canceled previously. Thus **claims 1 and 3-8** have been examined. Claim 1 is an independent claim and the rest of the claims 3-8 are dependent claims.
2. **No new claim has been** added.

Allowable Subject Matter

3. **Claims 1 and 3-8** are allowed.
4. The following is an examiner's statement of reasons for allowance:
5. With respect to **the independent claim 1** the art on the record, namely Mizikovsky discloses all of the limitation of the recited claim 1, before the claim was amended.

However claim 1 is amended by the applicant and the following limitation from the dependent claim 2 is added to independent claim 1, "**wherein the second ciphering key is encrypted by the first ciphering key before being transmitted to the station.**" The art on the record does not disclose or suggest this particular added limitation of the respective claim.

None of the prior art of record taken singularly or in combination teaches or suggests a method for updating a ciphering key used in a network system with all the limitations recited in respective claim 1 in combination with the following functional limitation, "**wherein the second ciphering key is encrypted by the first ciphering key before being transmitted to the station.**"

For the reasons provided above, the amended independent claim 1 is allowed.

Art Unit: 2132

6. **The dependent claims 3-8, which are dependent on the independent claim**

1 being further limiting to the independent claims, definite and enabled by the specification are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submission should be clearly labeled "Comments on Statement of Reasons for Allowance."
